Ruth added an update to Hot Lunch funds raised, that \$3,000 profit is after pizza parties are done.

Amy passed on information from Alison Valcamp, who had stated that Jenny Matches and Janet Rathbun would like to support the school by contributing financially to special events. Jenny and Janet are a well-known, local realtor team.

Zumba fundraiser date has not been set.

New Business

Amy recently received two emails on the PAC email address regarding concerns of dogs being allowed (or not allowed) on the property. Amy will forward emails to Nicole. Nicole addressed the issue and noted that the request to keep dogs off the property, as noted in the January newsletter, was a request and not a policy. She further explained that some students have very serious fears of dogs that restrict their access to school.
