Emergency Preparedness Report

Mike has our school on the list for a donation bin. Funds generated will be used solely for emergency preparedness. All donated items go to African students.

Mike asked that the next PAC newsletter include a reminder to parents that they need to go onto Parent Connect and review their emergency release names and confirm that they have done so.

Fundraising/Special Events Report

Entertainment Books is just being wrapped up. Upcoming events are Family Photos on Nov. 3, 4 and a movie night on December 7th. Zumba fundraiser will be booked after Christmas.

NEW BUSINESS

Traffic - A discussion took place on the traffic in front of the school. Another mention in the newsletter is necessary to remind parents to obey traffic and parking rules and signs. Parents will be encouraged to make note of licence plates of cars that are putting others at risk and the information will be passed on to the school liaison officer.

To date, there has been no approval for a paid crossing guard on 80th Avenue. Other options discussed were closing off the fence where cars are not to be stopped in the hopes that parents will stop in areas that are approved for stopping and parking. Jeff will prepare a letter to go home with students.

Bullying and the recent Amanda Todd case were discussed. Teacher will determine the level of explanation required with their own students. Programs used in the school are Second Step and WITS. The school counselor will be going into classrooms to assist. Discussed students signing a pledge to not participate in bullying behaviours.

Class photos will take place in the spring.

Grade coordinators are still be sought. A follow-up mention will go into next newsletter.

Meeting adjourned at 10:08 AM.
