PRE-PACKAGED SCHOOL SUPPLIES FOR SEPTEMBER 2023/2024

This year Pharmasave at Nordel will continue to provide individually pre-packaged "back-to-school" supplies at competitive prices. These supply kits, suggested by the teachers, are customized to meet the needs of each grade.

There is no obligation to purchase supplies through this arrangement.

Please drop off the Order Form (with payment) to the store by Friday May 19th and they will deliver your child's supplies to the school at the beginning of the school year. However, if this does not work for you, you may drop off the Order Form (and payment) at a later date and your package will be made for you to pick up at their store.

If you have any questions or concerns, please do not hesitate to contact them:
